

Scroungy Dogs and Pretty Pups Rescue, Inc. (“SDPPR”) Adoption Application Information

NAME OF PET INTERESTED IN: _____

PLEASE READ THE FOLLOWING CAREFULLY:

Scroungy Dogs and Pretty Pups Rescue, Inc. (SDPPR) thanks you for interest in adopting a rescue dog! It is our job to place our rescued dogs in permanent, loving homes. We strive to ensure a permanent placement and to minimize the risk of a failed adoption. Please complete this application so that we can assist you in finding a wonderful, compatible companion. We make every attempt to match families with the most compatible and appropriate dogs for each situation.

Adoption fees (increased July 1, 2016 due to increasing vetting and transport costs):

Puppies under six months of age - \$275.00 - \$400.00

Dogs six months to five years - \$200.00 - 350.00

Dogs six years or older - \$125.00

The adoption fee covers the cost of spay/neuter and also covers shots current to the age of the dog and microchipping. If your puppy or dog has not yet been spayed or neutered at the time of adoption we will hold a \$100.00 deposit from you that will be refunded to you after you get your new dog spayed/neutered by our preferred vet.

Although all SDPPR dogs are fully vetted, we recommend that you take your new pet to your regular veterinarian as soon as possible to have a physical exam. We suggest that you place your dog on heartworm **preventative** as a precautionary measure.

We do not always know the exact ages of our rescue dogs or their specific breed/breed mix. The approximate age and breed/breed mix of all dogs is estimated using our experience and the advice of our veterinarians. SDPPR uses reasonable efforts to approximate an appropriate age and determine a breed, but makes no affirmative representation that the approximate age or determined breed is the actual age or breed of the dog, and your veterinarian may approximate a different age for the dog or determine that it is a different breed/breed mix.

Any adopted rescue dog needs time to adjust to its new home environment. Our dogs are kept in loving foster homes and our foster parents use best efforts to house train and crate train each pet (time and age allowing).
